

No Brian Epstein? No Beatles!

Put simply -- The Beatles changed the world. But Brian Epstein's gift was that he changed them. And gave them the pathway to reach us.

By Martin Lewis, Contributor

Writer, Producer, Humorist, RESIDENT of the United States...

Beatles manager Brian Epstein has finally been inducted into The Rock and Roll Hall of Fame. [Beatles scholar Martin Lewis](#) instigated and spearheaded the ultimately successful 15-year campaign to have Epstein honored. In this special essay, Lewis documents the importance of Brian Epstein to the Beatles' success. In the second half of this piece, he recounts the inside story of the long struggle to have Epstein inducted. There is a also a new video tribute to Epstein by one of his many admirers.
